MARKET FACT #111

45%

**of the workforce in Gaza is
unemployed since the blockades.
And more than 60% of people in
Gaza live in Food insecurity.**

DATE: November 25, 2023

COMMENT: Although I'm obviously PRO-ISRAEL because it's The Land of JESUS, The King of kings, it's also true that there's good people living in Gaza suffering from the war. Having 45% of its workforce unemployed and 60% of its people living in food insecurity is a big alarm to other nations that can provide actual help. It's the duty of prosperous nations that were blessed, to provide assistance when there's good people in need.
