MARKET FACT #114

18%

of the global Oil Reserves belong to Venezuela. 17% belongs to Saudi Arabia. And 10% belongs to Canada.

DATE: November 27, 2023

COMMENT: The Oil Market in plain numbers shows which nations matter. The countries sitting on the largest Oil Reserves, despite the 3 nations mentioned above are: **IRAN: 9%, IRAQ: 8%, RUSSIA: 6%, KUWAIT: 6% and UAE: 6%.** Why does that matter? Because these nations can repurpose their WEALTH and start to become “superpowers” in a short amount of time, which is what Saudi Arabia seems to be doing by investing in Sports and Entertainment, for starters.

A MESSAGE FOR BRANDS

BUSINESSES ONLY: Are you reading too many cards or articles? Then [you probably need Professional Consulting Projects.](#) That will boost your Marketing/Business results in a short amount of time. [Prices start at €399 per hour.](#) Buy a Project. Save time. Grow your business now. The market does not wait.
