MARKET FACT #121

3.1B

US DOLLARS was what South Korea exported in weapons between 2010 and 2017. More than 3x times its usual defense exports.

DATE: November 28, 2023

COMMENT: The ambition of South Korea to become one of the world's largest weapons exports is translating into actual weaponry provision to other countries. Like the source says ([CNBC](#)), [in 2017 alone, 132 companies in South Korea were exporting arms to 83 countries already \(!\)](#). It is now reaching Australia, India, Austria, Turkey, England, Chile, Colombia among other countries, expanding its sales to Europe and South America. South Korea is currently behind as a weapons exporter to THE USA, RUSSIA and FRANCE.
