MARKET FACT #180

650K

people are homeless in the United States of America nowadays.

DATE: January 5, 2024

COMMENT: in the near future homelessness will increase not because people are lazy or in drugs, but because market anomalies will be appearing, and too many monopolies result in a crushed economy. [Homelessness in New York is at its highest level in almost 100 YEARS. And over 90,000 unhoused New Yorkers are already currently sleeping in the city's homeless shelters. About 1/3 of them are....children.](#) Over the past 10 years the number of homeless adults has **DOUBLED**. How is that sustainable? Another reality: [44% of New Yorkers have problems paying their rent leading to countless evictions.](#) So you see, this problem is only getting worse as years go by. And by [the glimpses on the global economy](#), things will only get worse. It's time to act.
