MARKET FACT #204

1000

**(or more) of Google's employees
are once again going home. Google
is now cutting jobs on its
Advertising Sales team.**

DATE: January 17, 2024

COMMENT: As the massive layoffs subject continues to rise ([because of The Global Financial Crisis that started in 2019 remember?!](#)), more evidence comes to light. [After 12,000 Google employees got fired recently](#). Furthermore, [Alphabet recently cut travel and entertainment budgets, halted construction and reduced investment for experimental projects](#). Looks like Google used employees and are now sending lots and lots of them home after a certain maturity level on its tech was achieved. And [by lobbying](#), it maintains [its criminal monopoly](#).
