MARKET FACT #211

830

employees of Fortnite maker, Epic Games were laid off as well. That's 16% of its workforce.

DATE: January 18, 2024

COMMENT: It's not only BIG TECH companies and Big Banks and other famous companies that are sending people home without being able to pay them anymore. It's game houses too. According to the source, the layoffs are a result of spending more money than the money earned which is a strong statement since the gaming industry is one of the most profitable in the Entertainment Industry and they are behind.....Fortnite. But when you put 2+2 together, you get to a point where you notice that MANY INDUSTRIES are firing their personnel. Time to wake up. [The effects of The Global Financial Crisis are here.](#)
