employees of PayPal are gonna be laid off in yet another massive layoffs round in tech jobs.

DATE: February 1, 2024

COMMENT: PayPal too joints the party of sending its workers home. When you have a huge economic downturn hitting Markets there's no way to go but cut costs for most businesses. I recommend you to [read The Global Financial Crisis Manifesto that covers M&As, Trade Wars, A.I., Massive Layoffs, Market Solutions and more](#). And a quick quote: "We will be reducing our global workforce by approximately 9% through both direct reductions and the elimination of open roles over the course of the year," the CEO said in the web post." – SOURCE: [Payments Dive](#). Putting [all recent massive layoffs together tells a story](#). Mark my words: this is just the beginning.
