MARKET FACT #281

2K

is the number of employees now fired by Paramount in a new news round of massive layoffs.

DATE: August 14, 2024

COMMENT: This is something worth sharing but not something fun to share: More layoffs are now coming to World Markets **due to the merger between Paramount and Skydance Media, the movie studio behind the marvelous Top Gun: Maverick** ([SOURCE: Quartz](#)). If 2,000 people are being fired, which is 15% of Paramount's workforce, how many body counts we have today since 2023? Think about that. The Market is definitely not the same.
