MARKET FACT #285

6

**COMPANIES currently used
Youtube videos to train their A.I.:
Runway, OpenAI, Anthropic, Apple,
Nvidia and Salesforce.**

DATE: August 15, 2024

COMMENT: The Internet has over 2 BILLION websites but weirdly there's only ONE main website for online videos: **Youtube**. As a result, these 6 major companies have used Youtube videos to train their A.I. which means they used the videos and in some cases downloaded them (Runway) to make the company's A.I. stronger. [The Verge estimates that 170,000 videos were used in some cases \(!\)](#). Looks like today's Market has become a FREE FOR ALL war. OBS: This is against Youtube's policy. What are the rules to the game after all?

A MESSAGE FOR BRANDS

BUSINESSES ONLY: Are you reading too many cards or articles? Then [you probably need Professional Consulting Projects](#). That will boost your Marketing/Business results in a short amount of time. [Prices start at €399 per hour](#). Buy a Project. Save time. Grow your business now. The market does not wait.
