underwritten by Sequoia Capital.**

DATE: August 18, 2024

COMMENT: This is where brands make a name for themselves, and Sequoia Capital is no different. The company invested in winners early on, when nobody was there. Some examples include Apple in 1978, Nvidia in 1993, along other companies like Google (before it became a criminal monopoly), Cisco, Youtube and Airbnb. Great achievements. Great track record. Where are you investing?
