MARKET FACT #329

4th

in GLOBAL PAYMENT is where the China's Yuan ranks nowadays as an international currency. The Yuan has almost 5% of global transactions.

DATE: September 8, 2024

COMMENT: Impressive. Although China is the 2nd superpower it looks like they're going after the dollar. [The country already has 5% of global transactions](#) taking place, proving that they are being serious about taking over the crown. If you don't remember, [Europe's central banks were already starting to replace dollar reserves with the yuan](#) not too long ago.
