MARKET FACT #35

40%

**of workers will have to RESKILL in
the next 3 YEARS due to A.I.**

DATE: September 11, 2023

COMMENT: The time has come to give another important Market Stat: 40% of workers will have to gain new skills or upgrade their current ones because of the fast A.I. adoption on the Market. It's important to also highlight the following: "IBM's business research organization (the IBM Institute for Business Value), [released results from a new global study](#). Its conclusion? **'The world of work has changed compared to even six months ago.'**". That's right. Just 6 months the market is completely different. And finally, a bit more [from the source](#): "That could translate to **1.4 billion of the 3.4 billion people in the global workforce, according to World Bank statistics**. Respondents also report that building new skills for existing employees is a top talent issue". The capital companies now have, will have to be repurposed for training personnel. Yours too.
