MARKET FACT #379

\$13

BILLION is how much money the contract between Open AI and Microsoft is worth. The company however, is spending \$5 BILLION per year in operation costs.

DATE: September 28, 2024

COMMENT: One more – *TRUE* – thing : "There's an exodus of executives from OpenAI, the company is burning billions a year, its enterprise offerings are widely criticized, Sam Altman appears to spend half of his day doing podcasts, and there is still no proven business model.". SOURCE: Futurism. There's a time clock where Open AI has to prove itself to World Markets.
