**PORTS from Maine to Texas (USA)
are going to be affected by the
strike of Dockworkers. Additionally,
there are 45,000 workers on strike.**

DATE: October 2, 2024

COMMENT: The recent strike is the 1st action in 50 YEARS which will impact the United States in a very particular way, causing market disruption. More worth sharing: "Approximately 45,000 workers walked off the job after their contract expired at midnight, demanding a 77% pay increase over six years and protections against automation. The strike could lead to supply chain disruptions, higher prices, and shortages of goods if unresolved". [SOURCE: VT NEWS.AI](#). The dockworkers strike will likely cost \$7.5 BILLION per week.
