MARKET FACT #403

70%

of jobs listed in The Market are currently GHOST jobs. They are positions that companies have no immediate intention of filling or don't exist at all.

DATE: November 18, 2024

COMMENT: The next part you also need to read on this subject: "Ghost jobs create a false impression of job availability, potentially inflating unemployment figures; Job seekers waste time and resources applying for positions that don't actually exist; ghost jobs continues to rise, with four in 10 companies posting fake job listings in 2024 according to a CNBC report" – [SOURCE: Perplexity.AI.](#)
