MARKET FACT #542

500M

liters per day of water shortage is what the city of Bangalore, India, faces today.

DATE: March 9, 2025

COMMENT: If you recall [another Market Fact about Water Shortage and The Water Crisis](#) then you know how serious this issue is for CEOs and Entrepreneurs. The city of Bangalore depends on just ONE river for its water needs, and certain crop owners receive water from the river ONCE per month (!). In certain areas of India, 75% of people work in Agriculture, where many are facing water scarcity. The more we are aware of nation's problems, the faster we can deliver solutions and results.
